

Benefits for the Apprentice

- Paid Work – Apprentices are employed full-time and earn wages from the outset of their training.
- On-the-Job Training – Apprentices gain practical experience under the mentorship of seasoned journey workers who pass on essential skills and knowledge.
- Classroom Instruction – Apprentices participate in structured learning—either online or in-person—to deepen their technical and job-specific expertise.
- Wage Progression – As apprentices advance in skill, their compensation increases accordingly, reflecting their growth and value.

All at no cost!
