

## What is the NCRWA GO WATER! Pre-apprenticeship Program?

The NCRWA GO WATER! Pre-apprenticeship Program is a 6-week, summer program that introduces participants, ages 16 to 24, to water and wastewater career pathways. By participating in the pre-apprenticeship, you will gain direct entry into the NCRWA Water and Wastewater Systems Operations Specialist Registered Apprenticeship program upon successful completion of the 6-week pre-apprenticeship program, completion of a high school diploma or equivalency and are 18 years old.

### ***NCRWA GO WATER! Pre-apprenticeship consists of 2 phases:***

**Phase I:** Participants complete skill and interest assessments, take part in basic job readiness training, and are introduced to the water industry. (3 weeks, min. 4 hours per day)

**Phase II:** Participants explore a variety of career options available within the water and wastewater industry, take part in job shadowing experiences, and participate in worksite tours. (3 weeks, min. 4 hours per day)

**WHO SHOULD APPLY?** High school juniors and seniors, adult high school students, or high school equivalency students, 16-24 years old. Applicants must be able to commit and complete the entire 6-week program.

**HOW DO I APPLY?** Request an application by emailing: [carolynbynum@ncrwa.org](mailto:carolynbynum@ncrwa.org)  
Application deadline is February 15, 2021 COB.

*The North Carolina Rural Water Association will accept pre-apprenticeship participants regardless of race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, genetic information, or because they are an individual with a disability.*
