

### **The Tarheel Pipeline Article Submission Guidelines**

All submitted articles will be reviewed by the North Carolina Rural Water Association. Articles must be submitted by the due date and are subject to editing. Additional guidelines are listed below.

- Articles for The Tarheel Pipeline should be specific to North Carolina. If it is not specific to the state the article must be relevant industry related information.
- Articles cannot promote a specific company, product or service
- All photos, figures and images should be resolution and submitted as JPEG or EPS files, at least 300 dpi.
- All figures, images, and tables should have descriptive captions and be referenced in the article
- Any tables, charts or graphs must have a title for each
- Submit your article as a Word document
- Authors should provide name, job position title, and organization for each author.
